¹ Mining and logging is combined with construction.
² Data not available.
³ Area boundaries do not reflect official OMB definitions.
P = preliminary.

NOTE: Data are counts of jobs by place of work. Data have been revised to reflect 2010 benchmark levels. Estimates subsequent to the current benchmark are provisional and will be revised when new information becomes available. Area definitions are based on

Office of Management and Budget Bulletin No. 10-02, dated December 1, 2009, and available at www.bls.gov/lau/lausmsa.htm. Areas in the six New England states are Metropolitan New England City and Town Areas (NECTAs), while areas in other states are county-based. Some metropolitan areas lie in two or more states. They are listed under the state that appears first in their titles. Davenport-Moline-Rock Island, Iowa-III. is the exception since it is listed under Illinois for operational reasons.
