1 Mining and logging is combined with construction.

2 Data not available.

3 Area boundaries do not reflect official OMB definitions.

p Preliminary

NOTE: Data are counts of jobs by place of work. Data have been revised to reflect 2011 benchmark levels. Estimates subsequent to the current benchmark are preliminary and will be revised when new information becomes available. Area definitions are based on Office of Management and Budget Bulletin No. 10-02, dated December 1, 2009, and available at www.bls.gov/lau/lausmsa.htm. Areas in the six New England states are Metropolitan New England City and Town Areas (NECTAs), while areas in other states are county-based. Some metropolitan areas lie in two or more states. They are listed under the state that appears first in their titles. Davenport-Moline-Rock Island, Iowa-Ill. is the exception since it is listed under Illinois for operational reasons.

1 Data not available.

2 Area boundaries do not reflect official OMB definitions.

p Preliminary

NOTE: Data are counts of jobs by place of work. Data have been revised to reflect 2011 benchmark levels. Estimates subsequent to the current benchmark are preliminary and will be revised when new information becomes available. Area definitions are based on Office of Management and Budget Bulletin No. 10-02, dated December 1, 2009, and available at www.bls.gov/lau/lausmsa.htm. Areas in the six New England states are Metropolitan New England City and Town Areas (NECTAs), while areas in other states are county-based. Some metropolitan areas lie in two or more states. They are listed under the state that appears first in their titles. Davenport-Moline-Rock Island, Iowa-III. is the exception since it is listed under Illinois for operational reasons.

1 Data not available.

2 Area boundaries do not reflect official OMB definitions.

p Preliminary

NOTE: Data are counts of jobs by place of work. Data have been revised to reflect 2011 benchmark levels. Estimates subsequent to the current benchmark are preliminary and will be revised when new information becomes available. Area definitions are based on Office of Management and Budget Bulletin No. 10-02, dated December 1, 2009, and available at www.bls.gov/iau/lausmsa.htm. Areas in the six New England states are Metropolitan New England City and Town Areas (NECTAs), while areas in other states are county-based. Some metropolitan areas lie in two or more states. They are listed under the state that appears first in their titles. Davenport-Moline-Rock Island, Iowa-Ill. is the exception since it is listed under Illinois for operational reasons.
