<sup>1</sup> These 11 areas contain all of the 38 metropolitan divisions.

<sup>2</sup> Mining and logging is combined with construction.

<sup>3</sup> Part of the area is in one or more adjacent states.

<sup>4</sup> All of the area is in one or more adjacent states.

<sup>5</sup> Data not available.

p Preliminary

NOTE: Data are counts of jobs by place of work. Data have been revised to reflect 2015 benchmark levels. Estimates subsequent to the current benchmark are preliminary and will be revised when new information becomes available. Area delineations are based on Office of Management and Budget Bulletin No. 13-01, dated February 28, 2013, and are available on the BLS website at [www.bls.gov/lau/lausmsa.htm](http://www.bls.gov/lau/lausmsa.htm). Areas in the six New England states are Metropolitan New England City and Town Areas (NECTAS), while areas in other states are county-based. Some metropolitan areas lie in two or more states. They are listed under the state containing the first principal city. Metropolitan divisions are listed under their metropolitan areas. Some divisions lie in more than one state, and some, like Camden, N.J., are totally outside the states under which their metropolitan areas are listed. For Washington-Arlington-Alexandria, D.C.-Va.-Md.-W.Va., the metropolitan area and

division titles are identical. Estimates for the latest month are subject to revision the following month.

<sup>1</sup> These 11 areas contain all of the 38 metropolitan divisions.

<sup>2</sup> Part of the area is in one or more adjacent states.

<sup>3</sup> All of the area is in one or more adjacent states.

p Preliminary

NOTE: Data are counts of jobs by place of work. Data have been revised to reflect 2015 benchmark levels. Estimates subsequent to the current benchmark are preliminary and will be revised when new information becomes available. Area delineations are based on Office of Management and Budget Bulletin No. 13-01, dated February 28, 2013, and are available on the BLS website at [www.bls.gov/lau/lausma.htm](http://www.bls.gov/lau/lausma.htm). Areas in the six New England states are Metropolitan New England City and Town Areas (NECTAs), while areas in other states are county-based. Some metropolitan areas lie in two or more states. They are listed under the state containing the first principal city. Metropolitan divisions are listed under their metropolitan areas. Some divisions lie in more than one state, and some, like Camden, N.J., are totally outside the states under which their metropolitan areas are listed. For Washington-Arlington-Alexandria, D.C.-Va.-Md.-W.Va., the metropolitan area and division titles are identical. Estimates for the latest month are subject to revision the following month.
